2012 Syrah

The 2012 Syrah is 100% estate grown on our Perfect Hedge vineyard in Osoyoos. The style we have developed is inspired by the classic Côte Rôtie in Northern Rhône, blending 96% Syrah with 4% Viognier.

Considered one of the best vintages in the last 5 years, the long and warm 2012 growing season resulted in rich, big fruit. This Syrah has a prominent, complex nose interplaying dark cherry, blackberry, cedar and cocoa aromas with dust and violets. Full on the palate with structured tannins, the finish showcases lush dark berries and green olives.
