### TASTING NOTES

This Merlot offers the typical aromas of its variety, with a good level of sweetness. On palate, its very well assembled tannins come from French oak barrels. They result in a fresh juicy wine especial for Merlot lovers.

◇ Enjoy with lamb or spicy dishes.

◇◇ Drink it at 16° - 18°C.

### MAULE VALLEY

Located to the south of Central Valley, about 250 km. from Santiago, Maule Valley permits red wine varieties with soft tannins –like Merlot and Carmenere– to ripen providing extraordinary freshness and fruity character. Its many hours of sunshine and clearly defined seasons; with significant thermal fluctuations, permit the optimum growth and maturation of our fine varieties.
